Rapha & Toit
Relocation Services

Human support has always been at the heart of my journey. After several family relocations and a keen eye on the rental housing market, I've learned to anticipate needs and manage unexpected challenges. I love facilitating every life transition.

With Rapha et Toit, I assist those settling in the Pays de la Loire region by offering a fully tailored tur key service : housing search, visits, administrative procedures, off-market access. I handle everything to ensure attentive listening, peace of mind, and efficiency. Your relocation, as if it were my own.
